Combined Ocean Grove & Barwon Heads Community Forum
Ocean Grove Bowling Club

Opportunity to meet & question the candidates for Bellarine,
which is our new electorate for state election 29th November.

Future challenges for the BHA & Barwon Heads

The main challenge facing the Barwon Heads Association is keeping residents aware of, and interested in, the issues that will impact the town. There is always the challenge of ensuring that the community feels properly consulted and that decisions which effect the whole of the town have grown out of a proper process.

Our focus for 2014-15 will be among others:
rates & value for our money.

Here are some questions for you.

Do you think your rates are now excessive?

Have they increased well beyond the services you receive?

If not, do you believe you are receiving value for money?

In 2014-15 we intend to take up the pressing issue of rising rates for both residential and commercial properties.

Parking.

Have you ever had to drive home because you can't find a parking space?

How much parking space is available in Barwon Heads?

Is more parking space the answer?

Victorian Coastal Strategy 2014 .

We will explore this new strategy and see if we can hold the authorities accountable for their glossy productions.

Pedestrian crossings.

How hard should it be to meet the design challenges Barwon Heads presents?
