This feedback survey allows us to find out how you think how future development can be managed in Barwon Heads. Please read the supporting Issues Paper Summary or Issues Paper and fill in the form below. Attach additional sheets if required. Forms are to be completed by **10 November 2016**.

For more information about the Structure Plan update process and to view a copy of the current Structure Plan, please visit www.geelongaustralia.com.au/council/yoursay

1. Are the existing Structure Plan 'Principles' still relevant?

2. In the context of state and local policy, how can growth be managed in Barwon Heads?

3. What elements of residential character are important to you?

4. How much planning control would be appropriate to manage residential character?

5. Are there any improvements you think could be achieved within the town centre?

6. What issues have you had with parking or access? What time of the day or week have there been issues?

7. What would you consider as appropriate potential options to address parking in the future?

Some options may include:

- Park and ride for visitors
- Residential permit parking
- Special Rates and Charges Scheme to fund future improvements for parking development or additional car parks.

8. Is there currently any issues accessing a service or you are required to travel out of the township?

9. Do you support a change of zone to Farming Zone for Stage C of 13th Beach Resort?

10. Any other comments?
