6:30pm Barwon Heads Bowls Club

Chair Sandy Gatehouse welcomed those present

Sandy thanked our members and gave special thanks to Trish for her ongoing support of the BHA in Talking Heads.

Sandy talked about what a big year it had been for the BHA and community.

Geoffrey thanked Sandy for her hard work and diligence this year. The committee and members are very grateful to her.

Sandy introduced Andrew Maud from IGA. Andrew spoke about his plans for IGA over the next year or so.

Both for the redevelopment as well as his vision in using local, fresh produce. The plans sound fantastic and we look forward to seeing them come to fruition.

Sandy thanked Andrew for attending and we shared a Christmas drink.

Thank you to our members and a big welcome to all our new members. The on-going support of our community is much appreciated.
