

## EASTER NEWSLETTER

How's it going?

Hopefully the Easter Bunny will find us in isolation and bring us some cheer (chocolates, hot cross buns, wine, cuddles).

We hear wonderful stories of people looking out for each other and staying at home. What a sacrifice not to see grandchildren and family at this time. Many are angry that they are doing the right thing whilst it is quite apparent that some really don't care. The large crowds on the beaches and the bunched up groups of joggers, walkers and cyclists put us all at risk.

Please don't create a crowd in front of local businesses (it is so tempting to say hello to others while waiting for coffee orders). More than 2 is a crowd and businesses and individuals can be fined.

There are still lots of people around even though the caravan parks are closed and there is an active campaign to stop people moving around and going away for Easter.

**PLEASE CONTINUE TO BUY LOCAL** – many businesses now deliver and also have online ordering so it is easy to collect. Please look at their websites or phone them for further details. **THEY NEED OUR SUPPORT AND WE WILL MISS THEM IF THEY CLOSE**

We are so lucky to have IGA in Barwon Heads and thank Andrew Maud and his staff for their support and good humour over the past few weeks. They **CONTINUE TO SUPPORT OUR COMMUNITY** and our oldies and try to put aside essential goods for them at the early opening time of 7:30. IGA has fresh food and a wide range of other goods.

They have asked us to support them supporting us:

- use the sanitiser at the entrance of the shop
- follow the signs and directions
- shop alone (ie not in large family groups)
- maintain the 1.5m separation between ourselves and others
- shop with a list so we are not wandering aimlessly looking for things
- respond positively to requests from staff.

They are **CLOSED ON GOOD FRIDAY**

We also have a great local chemist and Joseph Hanna and his staff provide our Barwon Heads community with good advice and service.

**PLEASE STAY WELL AND FOLLOW THE INSTRUCTIONS WE ARE BEING GIVEN**
