4 Combined meeting with the mayor in 2014 with the Ocean Grove Community Association.

The meeting agreed that this would be a good idea. To be negotiated at Committee level.

5 The Chair presented a report from Kim Irons re the final meeting of the Reference Group for ELC in the park. (report available on website)

6 Key campaigns for 2014

Include pedestrian safety, pavement reconstruction, reviewing what happened to 13<sup>th</sup> Beach working group, traffic flow, WiFi, and walking trails around BH. Particularly WiFi needs to be followed up via our federal member Sarah Henderson.

7 Andrea Dennett updates on Myki & Moonahs:

Andrea has informed us via e-mail that transport around Melbourne is still free from Geelong using a Myki card. This refers to travel in Zone 1 & 2 at any time as long as your ticket is valid.

Also Moonahs have very little in way of protection, unless the tree in question happens to be in a Significant Landscape Overlay, (SLO), then a permit is needed for their removal.

8 Further Business – Christmas drinks and good cheer.

Next meeting Monday 17<sup>th</sup> February 2014
